PART Own rules matters

Revision history

This version of the constitution, based on the model rules (Schedule 2 of the Regulations), was developed in committee meetings held 2018-08-19 and 2018-08-21, and initially adopted at the AGM held 2018-09-15.

An amendment was adopted to s12.9 at the AGM held 2022-09-17.

This current version is a draft including major amendments, including to the purpose and objects of the Association. Adoption of these amendments will require the passage of a special resolution at a general meeting, as per Rule 75, followed by submission to the Commissioner under Part 3, Division 2 of the Act.

Preface: Proposed (Draft) amendments to these rules

Note

This preface is informative only, and is not part of the rules of the Association.

This preface will be deleted before the revised rules are submitted to the Commissioner.

The proposed amendments to the rule of the Association are explained in this section.

Changes to the text are marked similarly to ~~thus~~^{proofing} or ~~thus~~^{CAP1-Exclude-Voluntary-Invoices}.

Comments, which are not part of the text, appear similar to [1]: this.

Proofing

The rules have been proofread and checked as follows.

- The wording, the terms used, punctuation, capitalization, and formatting have been conformed to the model rules as closely as possible, except where a variation is genuinely intended.
- Spelling, grammar, etc. corrected.
- Minor ambiguities corrected. E.g. membership class swapping in subrule 8.6.
- The explanatory notes from the Model Rules are included in the document.

CAP1-Exclude-Voluntary-Invoices

This is an amendment to subrule 60.8 regarding eligibility to vote at general meetings.

This subrule previously required that a member who wanted to vote at a general meeting "must have paid any fee or other money payable to the Association by the member."

At face value, this would mean that having any outstanding invoice would prevent a member from voting, regardless of what the invoice related to, or if the invoice was overdue or not.

The subrule has been amended so that members who want to vote —

- Must have paid their membership fees; and
- Must not have any **overdue** debts; except where those debts relate to invoices for voluntary donations.

CAP2-Permissive-Written-Notice-For-Committee

This is an amendment to rule 34 regarding *Nomination of committee members*.

This rule currently requires nominations for committee members to be sent via written notice to the secretary. Written notice would usually be interpreted as a hard copy document or an email, as per rule 69, and would not include Slack messages.

The amendment changes rule 34 to allow more flexible means of submitting nominations to the secretary, which may include (for example) Slack direct messages.

CAP3-Community-Shed

This is a set of amendments to enable the Association to apply for deductible gift recipient (DGR) status as a "community shed".

Community sheds, including men's sheds and women's sheds, can be informally defined as "workshops where people can meet people, socialise, and share skills and knowledge." The Artifactory already meets this informal definition.

In fact, the Artifactory offers much more to the Perth community than a typical community shed, by —

- Being open to, and truly welcoming, members of all ages, genders, and orientations; and
- Engaging with younger demographics, including university students, not traditionally served by typical community sheds; and
- Offering a breadth of tools, training, and services well beyond the scope of typical community sheds.

As such, it makes sense for the Artifactory to take the steps required to obtain official deductible gift recipient status as a community shed.

DGR status will enable us to better fulfil our objects and purposes, thus delivering more benefits to the Perth community.

Requirements for DGR eligibility as a community shed

A deductible gift recipient (DGR) is an organisation or fund that registers to receive tax deductible gifts or donations.¹

Community sheds are a new category of DGR, introduced in 2020.

- The eligibility criteria for DGRs generally, and community sheds specifically, are defined in the *Income Tax Assessment Act (Cth) 1997*.
- The Australian Tax Office (ATO) publishes a webpage and a help sheet regarding community sheds.

As per the help sheet, the criteria are:

¹ATO - Gifts and donations

- Have an active ABN - Yes - 16 847 853 023.
- Be a registered charity with ACNC - Yes - ACNC profile.
- Be established and operate in Australia - Yes.
- Meet the **DGR category requirements** for the "community shed" category —
 - A public institution whose **dominant purposes** are advancing mental health and preventing or relieving social isolation.

We are already a public institution, specifically an incorporated association under the *Associations Incorporation Act 2015 (WA)*.

Our activities, including our regularly scheduled general workshop days, electronics workshops, metal-working workshops, and general community organisation, already have the effect of "*advancing mental health and preventing or relieving social isolation*".

We will formally address this criteria by changing our purpose and objects.

- Principally advances these purposes through providing a **physical location** and supports individuals to work on projects or undertake other activities in the company of others.

We already meet this criteria.

- Has **membership** that is open, or is limited only to an individual's gender or indigenous status or both.

Addressed by modification to our membership application process.

- Include **DGR winding up and revocation clauses** in your governing documents.

Addressed by adding to our existing winding-up clause.

Purposes and objects

Our purposes and objects, at Key Information - Item B., are modified to include:

The dominant purpose of the Association is to advance mental health and prevent or relieve social isolation.

The Association pursues this purpose by encouraging and facilitating creative use of technology at the Association's physical premises, where the Association supports individuals to undertake activities, or work on projects, in the company of others.

The objects of the Association, which fulfil its purpose, are to: ...

The remainder of our objects remain the same, reflecting that we will deliver a unique kind of community shed to the Perth community through our focus on "the creative use of technology", "artistic and technological projects", and so on.

Open membership

The ATO states that —

A community shed must be open to the community to join and generally not impose criteria restricting membership based on matters such as age, ethnicity or background.

Rejecting an application for arbitrary reasons will not constitute open membership.

...

To meet the open membership requirements, you must have a policy and process in place that clearly demonstrates all new members are nominated and approved without exception. This should be reflected in your governing rules.

To meet this requirement,

- The committee no longer has the power to reject a membership application for arbitrary reasons.
- Instead, the committee may only reject a membership application for the specific reasons listed in subrule 6.4.
- Subrule 6.4.f does allow for the committee to reject applicants who have behaved in a way that is detrimental to the interests of the Association - e.g. against our Code of Conduct.

Given that we are changing from a model where the committee assesses applicants individually, to a model where the committee must accept all applicants automatically, we will also need to consider how we control:

- access to the space outside of scheduled sessions, e.g. issue of 24/7 access keys; and
- access to high-risk tools in the space; and
- inductions to the space generally.

We may need to implement changes to our by-laws and our website in order to effectively manage the risks associated with new members.

These may include requiring a certain level of attendance at regular scheduled events, and completion of prescribed training/inductions, before granting after-hours access.

This would be in line with requirements of other associations (e.g. sports shooting clubs) which are implemented to fulfil our duty of care with regards to health and safety of all participants in the space.

Also included in this section are changes to membership eligibility for under-18's.

- The restriction that all applicants must be a "person at least 18 years of age" has been deleted. This currently makes it impossible for us to admit junior members, e.g. first-year university students.
- The rules have been revised so that persons under the age of 18 can be members, so long as they are in a class of membership that explicitly allows under-18's (e.g. "Student Member") and the class of membership does not confer full voting rights.

Note

We should consider using the next special general meeting as an opportunity to set pricing for a grade of university student membership, if the price would be other than for concession membership.

Winding-up clause

Rule 74 has been amended to include the language recommended by the ATO in relation to distribution of assets if the Association winds up or loses its DGR status.

CAP4-Corporate-Members

These amendments restore the provision for body corporates to be members of the Association.

These provisions are part of the Model Rules that were deleted when the model rules were first adapted for the Artifactory.

Restoring these provisions allows the Association to admit e.g. corporate sponsors as a class of membership, broadening our options for raising funds and generating community involvement.

Subrule 6.4.g allows the committee to reject membership applications from body corporates at will.

CAP5-Meeting-At-More-Than-One-Place

These amendments replace the provisions for meetings to be held electronically "if acceptable to the Secretary and the Chair" with more robust language, taken from the constitution of the West Australian Cricket Association.

For committee meetings, rule 44 and rule 46 were revised.

For general meetings, rule 54 and rule 56 were revised.

CAP6-Delete-Further-Delay-Clauses

Rule 47 for committee meetings, and rule 58 for general meetings, were revised to delete a clause which allowed for members to wait an additional 60 minutes for members to arrive at a meeting, after the 30 minutes allowed for by the model rules.

The application of the "extra 60 minutes" clause in relation to the following clauses was unclear. Additionally, it was not clear what risk the extra clause addressed, which was not already addressed by the model rules.

CAP7-Membership-Fees

Rule 12 was clarified regarding:

Setting entrance and membership fees —

- The **amount** of the fees is set by resolution at a general meeting.
- The **schedule** for paying the fees (e.g. yearly, monthly) is set by the committee.

The procedure for re-admitting a member whose membership had lapsed under subrule 12.8.

CAP8-Common-Seal

This amendment adds a simple statement to Rule 68 stating that the Association does not have a common seal, as recommended by Commerce WA.

CAP9-Emergency-Disciplinary-Action

Rule 16 for *Emergency temporary suspension* has been changed to *Emergency disciplinary actions* and re-drafted.

The re-drafted version —

- [\[2\]: FIXME](#)

CAP10-Committee-Election

These amendments clarify how committee members are elected, and how the committee members elect the office holders of the Association.

- [\[3\]: FIXME](#)

What next?

The proposed amendments to the rules of the Association will be open for comments from XXXX-XX-XX to XXXX-XX-XX.

- Discussion regarding these amendments may be conducted on Slack, in the channel #constitution .
- Formal submissions of comments, to be considered by the committee, must be sent to the secretary - secretary@artifactory.org.au.

Comments recieved within the comment period will be considered by the committee.

Once the proposed amendments are finalised, the secretary will convene a special general meeting, as per rules 53, 54, and 75.

A number of motions will be raised at the special general meeting.

The first two motions will be of the form —

- To accept the proposed rules of the Association in their entirety, as available at [URL](#).
- To endorse the changes to the bylaws of the Association, as available at [URL](#).

Should the first two motions fail to pass, a number of smaller motions will be raised, of the form —

- To accept those amendments marked "proofing" in the rules of the Association, as available at [URL](#).
- To accept those amendments marked "CAP1-Exclude-Voluntary-Invoices" in the rules of the Association, as available at [URL](#).
- To accept those amendments marked "CAP2-Permissive-Written-Notice-For-Committee" in the rules of the Association, as available at [URL](#).
- ... and so on.

All changes to the rules of the Association must pass as special resolutions, meaning they must pass *"by the votes of not less than three-fourths of the members of the Association who cast a vote at the meeting"*.

To enable the efficient conduct of the special general meeting, it will be critical that all interested members read and make comment on the proposed amendments to the rules during the comment period.

Due to the volume of changes, there will not be sufficient time to discuss the amendments in detail during the special general meeting.

Additionally, special resolutions must pass with the exact wording given in the notice of the general meeting; therefore, no alterations to these motions will be possible during the special general meeting.

35 Election of ordinary committee members

^{election-of-ordinary-committee-members}

[19]: Variance to model rules: These rules elect all committee members as ordinary committee members, with election to specific offices being handled at the first committee meeting, which must occur immediately after the AGM.

35.1. At the annual general meeting, the Association must decide by resolution the number of ordinary committee members (if any) to hold office for the next year. [20]: Refer to this from the Annual General Meeting section, so all provisions for the AGM are in the same section.

35.2. If the number of members nominating for the position of ordinary committee member is not greater than the number to be elected, the chairperson of the meeting — ^{nominating-comm}

35.2.a. must declare each of those members to be elected to the position; and ^{chairperson-declar}

35.3.b. the number of members nominating under rule 35.2.b is greater than the number of positions remaining unfilled,

the members at the meeting must vote by secret ballot to decide the members who are to be elected to the position of ordinary committee member. [21]: Variance to model rules: the ordinary members at the meeting must vote in accordance with procedures that have been determined by the committee to decide the members who are to be elected to the position of ordinary committee member.

- 35.4. A member who has nominated for the position of ordinary committee member may vote in accordance with that nomination.
- 35.5. Proxy votes will be allowed under rule 55. Proxy votes must reach the Secretary prior to the commencement of the meeting. [22]: Variance to model rules: This rule does not exist in the model rules. Why is it needed? Is this not already implicit in the rules for proxies? Suggest deleting this clause.[RC 2]: Clause is not in model laws. Is it necessary, or does s.54 cover this

36 Election of office holdersbearers^{proofing}

election-of-office-holders

[23]: Variance to the model rules: "Election of office holders" comes before "Election of ordinary committee members". We do things differently so this is intended.

- 36.1. The office holdersbearers^{proofing} of the Association are determined by the elected committee after the annual general meeting. [24]: Tighten this up. Specify that this must take place at the first committee meeting and that the first committee meeting must be held within 7 days of an AGM.
- 36.2. The newly elected committeeCommittee^{proofing} must decide by vote on office holdersbearers^{proofing} of the Association and any other officers/roles [RC 3]: do we want to be able to able to have ordinary members fill positions other than office bearers? How do ordinary members nominate? Clarify this in relation to s.49 for the Association. [25]: Taken literally, this would mandate that we must appoint all officers and roles (even things like the Member Storage Officer) at the first meeting.
- 36.3. If there is no nomination for a position, the chairperson of the meeting [RC 4]: Do we specify how this role (chairperson of the meeting) is decided? will appoint a member to the position^{RC}.
- 36.4. If only one member has nominated for a position, the chairperson of the meeting must declare the memberMember^{proofing} elected to the position.
- 36.5. If more than one committee^{proofing} member [RC 5]: Is this wording intentional? Other places leave it open for ordinary members to fill positions has nominated for a position, the committee^{proofing} members at the meeting must vote by secret ballot.
- 36.6. Each committee^{proofing} member present at the meeting may vote for one member who has nominated for the position.
- 36.7. A committee^{proofing} member who has nominated for athe^{proofing} position may vote for themselves.
- 36.8. On the committee^{proofing} member's election, the new chairperson of the Association may take over as the chairperson of the meeting. [RC 6]: insert after 35.2, and a clause that the chairperson is the first elected.

39.1.e. fails to attend 3 consecutive Committee meetings without having notified the Committee at least 24 hours before hand that the person will be unable to attend. [26]: Variance to model rules: "fails to attend 3 consecutive committee meetings, of which the person has been given notice, without having notified the committee that the person will be unable to attend." The variation adds a "24 hour" requirement, but accidentally deletes the "has been given notice" requirement. Amend.

Payment to members of management committee</p> <p>(1) Any rules made as mentioned in Division 1 item 6(g) are to provide for payment to be made to a member of the management committee of an incorporated association out of the funds of the association only if the payment is authorised by resolution of the association.</p> <p>(2) Subclause (1) does not apply to payment to a member of the management committee for out-of-pocket expenses for travel and accommodation in connection with the performance of the member's functions.</p>	<p>Part 2, s4 states that the Association is a not-for-profit body, and provides that payments can be made to members (including committee members) for reimbursement of expenses and the like.</p> <p>Part 5, Div 3, s42 specifies when payments can be made to committee members in connection with out-of-pocket expenses for travel and accommodation in connection with the performance of the member's functions.</p> <p>There are no other provisions in the rules to make payments to committee members (e.g. honorariums) and thus there is no provision for such payments to be authorised by a resolution of the Association.</p>
<p>2. Entitlement of members in respect of general meetings</p> <p>The rules made as mentioned in Division 1 item 8 must provide for all members of the incorporated association to be entitled to receive notice of and to attend any general meeting of the association.</p>	<p>Rule 54 requires that "each member" must be given notice of a general meeting. The definition of member in s1 includes ordinary members and associate members, i.e. all members, regardless of their membership class or voting rights.</p>
<p>3. Number of members who may call a general meeting</p> <p>The rules made for the purpose of Division 1 item 10 cannot specify greater than the prescribed percentage of members as the number of members who may at any time require that a general meeting be convened in accordance with the rules of the incorporated association.</p>	<p>Part 6, s53, specifies that any 20% of members may require a general meeting to be convened, which complies with the prescribed percentage in s18 of the Regulations.</p>
<p>4. Financial year of associations incorporated under this Act</p>	<p>N/A - association is not incorporated under the repealed Act.</p> <p>Note the financial year of the association is defined at Key Information - Item E.</p>

5. Transitional provisions as to financial year of associations incorporated under the repealed Act.	N/A - association is not incorporated under the repealed Act.
